Annual Homeowners' Meeting

It is a pleasure to inform you of the 2007/8 Board Election results. We had 120 people or proxies present and were able to conduct the Annual Homeowners' meeting. We thank you for your continued support by either attending the meeting or completing a proxy. The following owners were elected to fill our five Board positions:

Scott Miller, President
Lenice VonDetjen, Vice-President
Patti Davin, Secretary
Andy Domin, Treasurer
Tracy Haeggstrom, Member

September 3rd BOARD Meeting Cancelled

Our next Board meeting scheduled for September 3, 2007, at 6PM, has been cancelled due to the legal Labor Day holiday weekend. We apologize for any inconvenience this cancellation has caused. We will meet again on October 1, 2007, at 6:00PM in the clubhouse.

Board Meeting Time Change

Please note that Board Meetings will begin at 6PM starting on October 1st. We felt that this change would accommodate more people in the months to come.

Tree Trimming and Grass Seeding

Our annual tree trimming is scheduled for October 2007. Please be careful of equipment and tree limbs in your area. Please do not be alarmed if you see the grass turning BROWN. The landscapers are getting read to over-seed the complex and are preparing our existing greenbelts so they look even better than last winter. Seeding will happen after the trees are trimmed. Thank you for your understanding during this autumn transition.

Automatic Assessment Payment

For more information on setting up automatic payments through your checking account, please visit www.lvmhoa.org or call HWP for more information. Forms available online!

Reporting Vandalism/Graffiti/LIGHTS OUT

Please be sure to report all vandalism, graffiti and burnt out lights to the Management Company. Vandalism includes destroying any item in the common area such as plants, trees, laundry rooms, pools, lighting, etc. If you witness vandalism in progress please call the Orange Police at 714-744-7444. Stay aware & REPORT!

Tile Roofing Project

Phase 4, Buildings Q, R, S, & T, began on August 27, 2007. Please be aware that heavy equipment will be parked near or around these buildings and read posted signs for specific information regarding this much needed repair. Please report any problems as soon as possible.

Light Fixture: Half Round Square
 _____ quantity _____ quantity

Bill My Account (Account MUST be CURRENT)

Pay by CHECK (Payable to La Veta Monterey)
 Payment due at time of delivery

Please fax to 714-897-9120

Here are some pest-prevention tips from the EPA and the NPMA:

Outside your home

- Remove piles of wood from under or around your home to avoid attracting termites and carpenter ants.
- Destroy diseased plants and fallen fruit that might harbor pests.
- Rake fallen leaves.
- Keep vegetation, trees, shrubs, and wood mulch at least 18 inches away from your home.
- Remove tree branches that touch your home.
- Clean up pet droppings from your yard. They attract flies that can spread bacteria.
- Do not let litter or garbage accumulate. It draws mice, rats, and other rodents.
- Drain off or sweep away standing puddles of water, which are breeding places for mosquitoes and other pests.

Inside your home

- Do not let water accumulate in or around your home. Fix leaky plumbing.
- Remove or dry out water-damaged and wet materials. Dampness or high humidity can attract pests.
- Store food in sealed glass or plastic containers.
- Keep your kitchen clean and free from cooking grease and oil.
- Do not leave food in pet bowls on the counter or floor for long periods of time.
- Put food scraps or trash in tightly covered, animal-proof garbage cans.
- Empty your garbage frequently.
- Caulk cracks and crevices to control pest access. Make sure doors have gaps no larger than 1/4 inch between the floor and the bottom of the door.
- Bathe pets regularly.
- Avoid storing newspapers, paper bags and boxes for long periods of time.
- Check for pests in packages or boxes before carrying them into your home.
- Install screens on floor drains, windows, heating and air conditioning vents, and doors to discourage crawling and flying pests from entering your home.
